

Getting to Know You As a Reader...

A reading survey for you

1. Do you like to read? Why or Why not?

Yes, I like to read, because it's fun to read, interesting, and we can even learn some cool facts about it!

2. About how many books did you read last year?

Maybe about 86 books.

3. Did you read at home this summer? If so what book did you like and why?

Yes, I did read in the summer, and my favorite one in the summer is "Hiedi". I like this book because it's interesting to read.

4. How do you decide which books you want to read?

First I will take out a book and read the front cover then open the book and read 3 pages if it's interesting I will read it, if it's not I'll put it back.

5. What is one of the best books you have ever read and why?

"Warrior Cats: fire and ice" is one of my favorite book, because it have some kind of like fighting, so I think it's interesting.

6. What kind of reading do you like? (you may select more than one)

☐ historical fiction ☐ fairytales/folktales ☒ poetry
☒ realistic fiction ☐ biography/autobiography
☐ science fiction ☒ information books ☒ fantasy

7. Select one type of book and tell why you like it.

poetry. I chose poetry because it's gives us some cool facts about some ryming words.

8. What kinds of books are easy for you to read? What kinds are hard?

fairy tales and folktales are easy to read, and no others is hard to read.

9. What advice would you give students in this room to help them read well?

you just need to try your best.
